Yo, we got a serious problem. Our band was supposed to have practice tonight, but our lead guitarist never showed up.

Cherry

I know, right? Totally not like him. Usually, he's the first one there, all cool and mysterious, tuning his guitar like some kinda rock star philosopher.

A 3D animated scene set in a bright, sunny park. In the foreground, a young girl with short brown hair, wearing a blue shirt with white polka dots, is seen from the back, holding a small yellow and black striped object. She is facing a pink, dog-like character with large green eyes, a purple nose, and a black spiderweb pattern on its chest. The background features a large green tree, a clear blue sky with a few clouds, and a grassy field with some small plants and yellow flowers in the lower left.

We were gonna go over our new song—you know, the one inspired by that retro rock vibe he's always raving about.

Cherry

But nope. No sign of him. Just his pleather vest draped over his usual seat at the café, like some kinda dramatic exit scene.

Cherry

Hit me up if you got any leads. The band's counting on you.
